Terms of use

Resurs Bank PSD2 related Application Programming Interfaces (“PSD2 APIs”) are intended for registered account information service providers, payment initiation service providers and payment service providers issuing card-based payment instruments (“TPP”) as defined in local Swedish legislation implementing the Payment Service Directive (EU) 2015/2366 (“PSD2”).

TPP are not entitled, without a prior written agreement with Resurs Bank, to use PSD2 APIs for any other purpose than providing account information services, payment initiation services and issuing card-based payment instruments as defined in PSD2.

TPP are not entitled to change or modify the PSD2 APIs or distribute, disclose, publish, market, sell, rent, lease, or sublicense them to a third party.

TPP are not entitled to change, modify, distribute, disclose, publish, market, sell, rent, lease, or sublicense to a third party any information made available for TPP according to the article 30 paragraphs 3 and 4 of the regulatory technical standards on strong customer authentication and common and secure communications (EU) 2018/389 (“RTS”).

TPP must identify and authenticate itself to Resurs Bank according article 34 of the RTS. Resurs Bank reserves a right to deny access to a payment account if conditions specified in article 68 paragraph 5 of the PSD2 are applicable.

Unless otherwise notified, Resurs Bank, or Resurs Bank´s subcontractor, own all rights, title, interest and intellectual property rights in the PSD2 APIs and their functionalities, including the right to copy, amend, modify, develop, sublicense, sell and assign such rights.
